With your help, SES is making efforts to go GREEN with Terracycle! Not only will these efforts teach our student valuable lessons about protecting our earth, some of them will even help our school earn cash for trash. Check it out at Terracycle.net. This is a win, win situation. We are collecting some labels as well as recycling the following:

Box Tops for Education SES gets \$.10 for each label.

A+ labels from Tyson Chicken SES gets \$.24 for each label

Campbell's soup labels SES earns points toward educational items with these labels.

Printer Ink Cartridge Brigade-all kinds

Juice Pouch Brigade-No boxes, straws or leftover liquid please ☺.

Candy Wrapper Brigade-No boxes, gum wrappers or half eaten candy bars please ☺.

Cell Phone Brigade-Any and all are accepted. No cords, batteries or wires please, but if you must send them in, we'll take care of appropriately recycling those too if needed.

Beauty Container Brigade-Right now, SES is only accepting empty shampoo, conditioner, lotion, mascara tubes and plastic shaving cream tubes. More info on other stuff we will recycle with this brigade coming soon.

Scotch Tape Brigade-Plastic cores and dispensers from **ANY** tape brand, not just Scotch.

Digital Camera Brigade-Please take out the batteries before sending in to recycle ☺.

Writing Utensil Brigade-Pens, pencils, markers, highlighters, dry erase are all accepted. No crayons please unless they are completely empty plastic tubes.

Laptops-Any brand of laptop will be accepted.

****Help us keep this program going by keeping it clean and simple. Please make sure all liquid items are as empty as possible and that all food items are as clean as possible. We don't want to attract insects.**

Feel free to collect several items at home and send them in a baggy. We will sort them here.
